

FRIDAY MORNING, NOV. 20.

the best daily paper in the southwest. It is always outspoken and never fails to work flourishing condition.

I herewith send you No. 1.

Make it the best in the state, friend Haag. and we will call it all square from this on.

The situation at Galveston is officially reported as follows: Forty-four blocks were additional blocks. There were about 2,200 tonem ats totally destroyed; and there are and beyond repair, while 2,000 are very the treasury, and have issued invitations for ing at T. M. Larimer's you can find the poor, having lost everything, even their a grand "phantom" party, to take place towearing apparel, and 2,500 lost household furniture, being all they have in the world, society event of the season.

Colorado passengar travel will be made. There will be two trains out of Kansas City in the morning, one leaving about 10 o'clock, and the other about forty minutes later. The first will be the California ex- from here into the Indian Territory, which box of Swedish flaming matches. d109-cod press, which will run over the main line as at present. The Colorado express will run bushel. to Florence and then take the McPherson branch to Ellinwood, where it will again strike the main line. This will be an accommodation to the people on the McPherson quanch, as well as a saving of distance

HE DON'T SOAR WELL

t appears that the "Eagle Line," the country that didn't pay tribute to the "windy wonder" of the Arksrsas valley, has temperarily suspended hostilities, as it were. The trouble is, that by lead management, that company now finds itself in a position where it must build and have in operation by February 1st, twenty-five miles of rail.

A Leo W. road, when it will be two weeks yet before the commissioners will be qualified to con-demn the right of way. That will bring them to December 1st, and all the road they can build from that to February 1st, can be piled up in the EaglE office sanctum. There is also another trouble in the eamp. The resignations of Mesers. Niederlander, Levy and Harris have been called for, and now cold wanther to be a superior of the color o cold weather is coming on and these most excellent gentlemen are going into winter quarters in a decapitated condition. On the first question we clip the following from the Wichita Bescon.—Hutchinsen News.

Such hash might be denominated gaul started out to "bust" anything, but rather to and the Hutchinson & Kinsley roads. Six miles of the right of way has been condemn. ed and the balance will be within ten days The steel for the first ten miles is loaded with a million and a quarter of inishities are all out. There has been no resignations of Niederlander or snybody else, and
twenty-three miles of the road will be down
and in operation seventy days from date.
Bub, you went off half-cocked with your
To-day, with a million and a quarter of inishitarts, Kansas has entered upon a new cra of
growth and progress. The ten prosperous

The progress of the road with the progress of th on curs and standing on side tracks and the lock out of whack, simply disclosing a sentiment upon the part of Hutchinson which we all along suspected. It might have been use to lave held in a week or two longer.

10-day, with a limitor and a quarter telligent, progressive people, strong in their belief in the rich valleys and prairies surrounded by schools, churches and every convenience and luxury of the time, a new era has commenced. At the rate of the present

A PRINCELY GIFT

ound a University at Paola Alto, near San Francisco. Three-fourths of this is cash— the balance in improved land, as follows: Palo Alto estate, \$2,500,000; Vino Ranch, 55,000 acres, \$2,500,000; and Gridley Ranch, 21,090 acre wheat field, \$1,5000,000. The ino Ranch has fifty-five miles of irrigating ditch. Twenty-five trustees will manage the matter. Tuition will be free. The gift is designed as a memorial to his dead son, to was exploded many years ago.

The new era in Kansas means the buildland says he shall gather together the best
faculty money will procure from all parts of
the world, and make the University the best
in the United States. The University will
have a wide range, including a mechanical
institute, a museum, art galleries, and desarry to the comfort, happiness and prosperinstitute, a museum, art galleries, and de-partments for law, medicine, music, paint-ity of her people.—Leavenworth Tur ing, political economy, etc.

THE FT. SMITH ROAD. Boox, Sumner Co., Kan., Nov. 16, '85.

sare, you will please accept congratulations | co for your untiving efforts in this direction.

It is not with 42,799, followed by Shawnee as second. Sedgwick third, Labettee fourth, Wyandotte fifth, and Atchison sixth in the of three-fourth of the people when I say list.

The rate of increase since the census of three-fourth of the people when I say

the importance of the proposed Ft. Smith, Wellington & Northwestern railroad. I want to see Wellington and Wichita connected by this line. The Eaota's would, if favorable, go far with the people in giving it an impetus. I am very anxious for this line, because I would then have communication with the outward world, a thing greatly to be desired. Please give my ideal road a boost when space in your columns will permit.

The Fort Smith road, with its Mississippi river connections, and its connection with the Chesapeake & Ohio railway, united to the Atlantic coast, is one of the grandest, as short a period of time.—Leavenworth Wellington & Northwestern railroad. I time.

the Atlantic coast, is one of the grandest, as short a period of time.—Leavenworth it is one of the best and most promising traf- Times. the routes to be found in the United States Especially will this be found true with reference to such an extension to the Arkansas valley. And no stone is being left unturned in that interest. The first and most important step is the right of way through the Territory, which will be vigorously pushed in congress this winter. When the time comes our Summer county correspondent will find the East will be vigorously pushed in congress this winter. When the time comes our Summer county correspondent will find the East will be vigorously pushed in position as the foremost city in the state depends upon our securing this road. Its construction will virtually compel the building of others. This is a matter of vital interest to every man in the county, and at the elec-

The Daily Graphic, of this city, last week contained a long list of proposed new builditigs, some of which have since given additional evidences of their appearance in the preparation for foundations.

fine three story hotel building, to cost \$40,-000. This, we think, has not been fully de-Topeks Journal. termined upon however.

The Patterson house is also to be raised another story, which will make it a very im-sas variety-bleeming for the patrons and people who furnish the life blood that ena-
